	Detailed Inventory	
PWS Name: PALOMA LAKE MUD 1		
PWSID: TX2460164		

Purpose of this worksheet: To provide a format water systems can use to track materials for each service line in the distribution system.

ConservationExactions: In this services represents are services for economic lysteness to economic splanning. The verbialnet includes required and recommended elements; the columns with the equar shading are required by the ICIN. The verbialnet includes required and recommended elements; the columns with the equar shading are required by the ICIN. The verbialnet includes required and recommended elements; the columns with the equar shading are required by the ICIN. The verbialnet includes required and recommended elements; the columns with the equar shading are required by the ICIN.
